Reach Out for Excellence

At beginning of this school year, Father O'Mara issued a challenge to veryone at one of our first masses of the year, and called it our theme for e year – "Reach out for excellence." To emphasize his point he asked veryone to stand up on their toes and reach up as high as they could; me goals may seem high but if we stretch and work for them they can e reached.

Your yearbook staff took Father's allenge to heart and really put rth a lot of effort to reach for ex-llence and make the 1984 year-ook the best yet. It is our hope that e whole student body will also Reach out for Excellence" so that e can live up to the opening line of ur school song – "We are the usaders, best in the land!"

The staff is pictured here doing me of the numerous tasks that go to putting out a yearbook.

Baccalaureate

Baccalaureate services were held on Sunday morning, May 20, 1984, in the Milam J. Joseph Community Center Building. Father O'Mara was the speaker who left the seniors with the message that whatever happens between the year 1984 and the year 2020, the most important thing is really loving and caring about our fellow man.

After the services, following a long-standing Gorman tradition, the Junior Class held a very excellent brunch for the Seniors and their guests.

The season took off with a slow start with consecutive losses to Cushing and Eustace. In a battle of defensive wits the Crusaders went down to the Bearkats from Cushing by a score of 12-6. The following week the Crusaders fell to Eustace 3-0 despite a rushing total of over 200 yards, 163 of those yards from junior Heath Webb.

Things turned around for the Crusaders the following week in Bullard with a 28-13 victory over the Panthers highlighted by senior quarterback Terry Maloney's 181 yards passing. 360 yards of total offense proved to be the nail in the coffin of Scurry-Rosser the following week at home as the Crusaders strolled past the Wildcats 35-0.

The following week the Crusaders battled with a very strong Princeton team and fell 24-14. The next game was the homecoming match against Cistercian Preparatory. The Crusaders were not able to rebound from the Princeton loss and fell by a score of 20-13. The Crusaders defeated the second-year Alba-Golden team the following week by a score of 27-0.

When the team regrouped to play Dallas First Baptist the following week all the players put in a tremendous effort in an attempt to avenge the loss of 1982. In perhaps the best effort all year, the Crusaders lost to an *improved* First Baptist team by only one touchdown 14-7.

District play rolled around the following week. In an intense effort by all the Gorman players the Crusaders walloped the rival Sacred Heart Tigers from Muenster by a score of 28-8. The following week was unscheduled and thus gave the team extra time to practice for the upcoming district match against Notre Dame of Wichita Falls. And in Wichita Falls the following week the Crusaders mercilessly demolished the Knights 35-0. The dream became reality. The district championship belonged to Gorman!

◀ A

The bi-district match then rolled around. It pitted the Crusaders against Galveston O'Connell. Despite a strong effort by the Crusaders, O'Connell blanked Gorman 13-0.

Thus the Crusaders ended the year with a deceptive 5 and 5 record. The season was dubbed as being successful by head coach Eric Pottkotter who added, "the fact that we got into the playoffs and played well kind of helped the spirit. It gives us a little motivation for next year. In that sense it was a successful year."

Boys Basketball

Our 1983-84 Boys basketball team followed their successful season of last year with another very successful season – in fact, probably their best ever. They had an outstanding season record of 23-4. They were Champions of two tournaments, Grand Saline and Kemp. They won the District regular season championship and the District Tournament Championship. They then advanced to the State Tournament and defeated St. Josephs of Victoria in first round play. This put them in the finals where they were defeated by Houston Marian after a very close and hard fought game. The coach and fans alike were very proud of the team for their outstanding effort and their rank of State Finalist.

Baseball 1984

The 1984 Crusader Baseball team had a good year, posting a record of 9 wins and 7 defeats. The team was without the service of returning pitcher Walter Geisler for most of the season due to injury. Seniors Steve Prud'homme and Greg Richbourg assumed the pitching duties. Both of them did an admirable job. Prud'homme compiled an impressive 6-4 record while Richbourg was 2-1. The team played very well against St. John, their first district opponent, beating them by large margins in both games. However, when meeting Notre Dame, they were defeated in a doubleheader at Lewisville as the Wichita Falls team advanced to State.

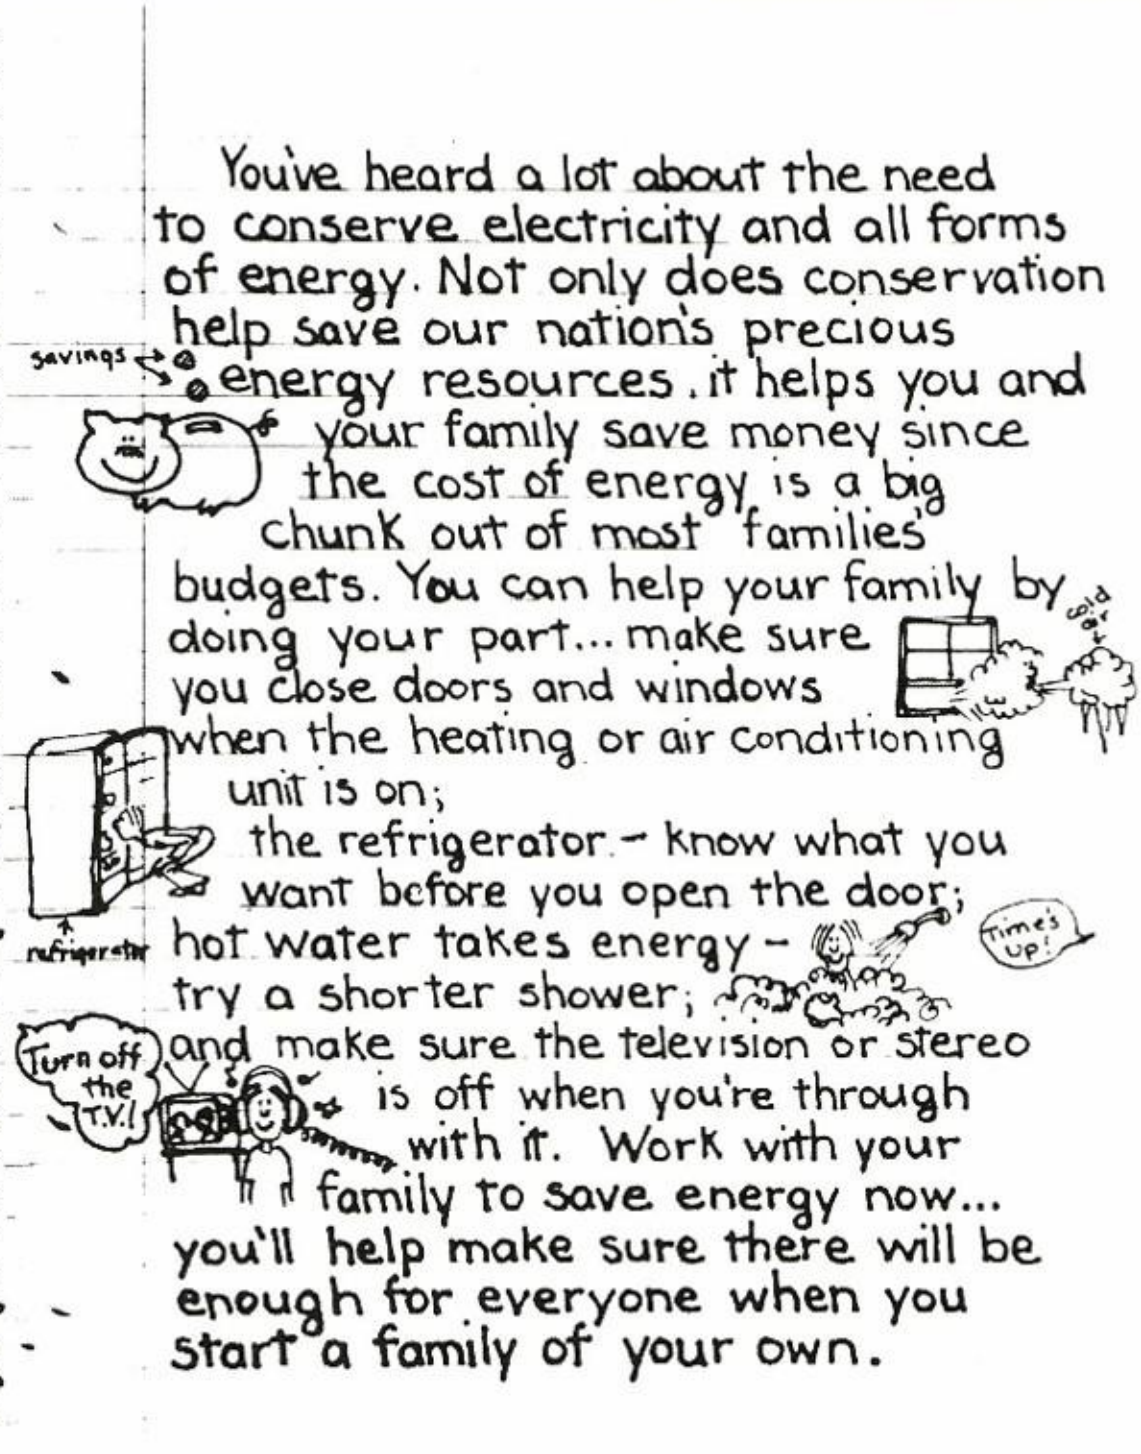
You can help.



You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; the refrigerator - know what you want before you open the door; hot water takes energy - try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.
